- January 29<sup>th</sup> - Teacher Work Day
- January 31 - Report Cards Go Home
- Feb. 6<sup>th</sup> - In House Science F.T.

## Take a Sneak Peek at Next Week

Math: Area/Perimeter

Reading: Reading Groups

Writing: Finishing Frog Books

SC: Matter

Wow!!! Time sure flies when you are having fun! We can't believe Quarter 2 is coming to an end. We have truly loved spending each day with our students and are looking forward to a great second half of the year!

\*Welcome! We are thrilled to welcome Rafael (Drager) and Lanta (Ross) to our classrooms!

\*FROG-A-PALOOZA- We are diligently working on completing our Frog Books and Boards to present to all of you at FROG-A-PALOOZA on Friday, February 7<sup>th</sup> from 11:45 - 12:45. All parents are invited to attend this event to hear their child present the information they have learned. It will be held in the media center.

\*NC Check In - Our second NC Check in will be on January 28<sup>th</sup> at 8am. Topics that are covered will be multiplication and division, 2 step word problems, geometry, and multiplication properties (distributive property). Please encourage your child to slow down when taking these tests and do the work on a separate piece of paper. Tests will be given on the chrome books so its important they work out the problems on their scratch paper.

\*Report Cards - Report Cards will be coming home on the 31<sup>st</sup>. Keep an eye out for them!

\*Valentine's Day - We will be having a mini-Valentine's celebration on the 14<sup>th</sup>. Students can pass out valentines to the other students during this time. A list of names will come home shortly. We will also be voting on the most creative, prettiest, and funniest valentine's boxes in each class.

\*Hurricanes Lunch Form Due Monday!!!

### Star Student of the Week

Drager  
Rohan Parikh

Ross  
Viraj Singh

## Mrs. Drager

- ❖ Area/Perimeter: We will be starting our new unit on Area/Perimeter next Thursday. Students will continue to use the multiplication facts we learned at the beginning of the year to help them.
- ❖ SC: We will be starting our next unit on Matter. We have lots of fun activities planned including making ice cream!

## Mrs. Ross

- ❖ Unit: Finishing the Wide World of Frogs
- ❖ Language Arts Emphasizing the importance of following directions the first time, checking over work, and doing quality work. Review of verb tenses & compound/complex sentences.
- ❖ Writing: Finishing and publishing our frog books! I've been keeping their writings a surprise until the Frog-A-Palooza!
- ❖ Our next unit will be announced next week. It's a surprise!
