Writing: Pourquoi Tales (Beginning/Middle/Ending)

SC: Earth, Sun, and Moon

Welcome to Quarter 2!

We have many exciting activities planned. Thank you all for making Quarter 1 so spectacular!

***Report Cards:** Report cards are in your child's Friday folder. Please keep their report card but sign & return the envelope!

***NC Check Ins:** We sent home the results from the NC Check in. This is one formative assessment we use to see your child's progress. We will be going over the questions your child missed on Tuesday.

***Patriotic Day:** On Friday, November 15, we will be having a community assembly honoring our veterans. Please have your child wear red, white and blue on this day!

***Multiplication Facts:** Keep studying those facts nightly! Our Sundae Celebration will be held on November 22nd. Look for a Sign Up Genius soon to help donate supplies!

***Time on Task:** Since Quarter 2 has arrived, the expectations for completing work in a timely manner has increased. It is very important that the children learn to meet deadlines and stay on task to get their work done on time. Giving your children time limits on their homework at home will help with this too.

***Book Fair:** The Book Fair will be in the media center the week of November 18! Don't forget the Family Night on Tuesday night!!!

Preview Day: Drager/Ross - Tuesday

Purchase Day: Drager/Ross - Thursday

Star Student of the Week

Drager

Claire Karwoski

Ross

Saanvi Mandadi

Enjoy your three day weekend!!!

Mrs. Drager

- ❖ **Math:** We are starting our new unit on Multiplication/Division. We will be focusing on fact families and how they are related.
- ❖ **Math Fact Test of the Week:** 7's (Tuesday) & 8's (Thursday)
- ❖ **Science:** We will continue our unit on our Solar System. We will be studying the sun and creating Chatterpix videos later in the week.

Mrs. Ross

- ❖ **Unit:** Adaptations and the Wide World of Frogs
- ❖ **Language Arts:** Next week, we will continue reading Pourquoi Tales (stories that explain a "why" question) and poems.
- ❖ **Writing:** Students will be working on writing their own Pourquoi Tale after seeing me model one this past week. They will use a graphic organizer to plan their ideas for their beginning, middle & ending of their tales.
- ❖ **Reading:** Book Clubs have started! Ask your child what their chapter book is...
