Text, Referring Back to the Text for
the Answers

Writing: Finishing Country Research
Paragraphs, Begin our Informative/
Explanatory Text

SC: Human Body

- ***NC Check In Test** Your child will be given an end of quarter county test on October 24th. The subject area is math only. The test will cover multiplication, word problems, graphing, addition & subtraction.
- ***Multiplication Facts:** We will be starting our Multiplication Sundae tests on Friday. It is important that your child study their facts at home as well as school. Even 10 minutes a day will help tremendously as they are expected to have mastery this year. The sooner students know them well, the easier the rest of the year is. Ascend math (link on website) is very helpful.
- ***Red Ribbon Week:** Red Ribbon week is from Thursday, October 24th – Wednesday, October 30th. Each day will have a different theme for the students to dress up for.

- Thursday, Oct 24th – Wear something red
- Friday, Oct. 25th – Wear tie dye clothes
- Monday, Oct. 28 – Wear animal prints or pictures
- Tuesday, Oct. 29th – Wear sweats or gym clothes
- Wed. Oct 30th – Wear wild socks/shoes/crazy hairstyle

Third grade is also collecting the following items for the food drive: peanut butter, dry pastas, pasta sauces, crackers, jellies/jams. All donations benefit the Fuquay-Varina Emergency Food Pantry. The top classes get a pizza party!

- ***Umbrellas:** Please make sure to send in an umbrella for your child to keep in the classroom or on the day of predicted rain. We had many students soaked on Wednesday as we travelled to and from the building. Thanks!

Star Student of the Week

Mrs. Drager

- ❖ **Math:** If your child has any extra time, please encourage them to use Ascend math to study their subtraction and addition facts. Many errors I am seeing can be attributed to fact mastery.
- ❖ **Math Fact Test of the Week: 2's**
- ❖ **Science:** We are continuing to focus on how our muscles, joints, and bones work together to help us move. We will be analyzing pictures to help us. By the end of next week, we will also be starting to look at the Skin.

Mrs. Ross

- ❖ **Unit:** Overcoming Learning Challenges Near & Far
- ❖ **Language Arts:** We will finish with the book, My Librarian Is a Camel, by completing their informative paragraphs and presenting their group projects. We will record their presentations on Seesaw.
- ❖ **Writing:** The students will finish their Thailand, Zimbabwe, Finland, Australia, & Canada paragraphs. Next week we will begin an informative/explanatory text to: introduce a topic & group information together, add details, use linking words to connect ideas & add a conclusion.
