Take a Sneak Peek at Next Week

Math: Addition/Subtraction

Reading: Using Context Clues, Referring Back to the Text for the Answers, Central Message, Main Idea & Supporting Details

Writing: Country Assessment Paragraphs, Informative/Explanatory Text

SC: Human Body

Thank you to everyone that attended our parent-teacher conferences so far. It has been so wonderful seeing all of you again and talking to you about your fantastic children.

***Field Trip Monday:** We are headed to the NC State Theater on Monday to see Rosie Revere. **Please have your child wear their field trip shirt.** We will be back by noon so we will not need a special lunch.

***Multiplication Facts:** We started our Multiplication Sundaes tests today! It is important that your child study their facts at home as well as school. Even 10 minutes a day will help tremendously as they are expected to have mastery this year. Ascend math (link on website) is very helpful.

***Red Ribbon Week:** Red Ribbon week will continue until Wednesday, October 30th. Each day will have a different theme for the students to dress up for.

- Monday, Oct. 28 - Wear animal prints or pictures
- Tuesday, Oct. 29th - Wear sweats or gym clothes
- Wed. Oct 30th - Wear wild socks/shoes/crazy hairstyle

These are the food items that third grade is collecting: peanut butter, dry pastas, pasta sauces, crackers, jellies/jams. All donations benefit the Fuquay-Varina Emergency Food Pantry

***Reading Comprehension:** I will be sending home questions next week that will help you with reading comprehension questions to ask your child. These questions can help you see if they are comprehending what they are reading/go back to the text for the answer. Be looking for a yellow sheet in their 10/31 Friday Folder.

Star Student of the Week

Drager
Saloni Kishore

Ross
Anika Sharan

Mrs. Drager

- ❖ **Math:** We will be taking our Quarter 1 Addition and Subtraction Test on Tuesday. Students will be asked to solve addition/subtraction multi-digit problems, asked to estimate, and solve word problems. A review page will be sent home Monday.
- ❖ **Math Fact Test of the Week:** 3's (Tuesday) & 4's (Thursday)
- ❖ **Science:** Our Final Unit Test will be on Wednesday. I sent home a study guide today and will link a quizzizz on your child's Google Classroom.

Mrs. Ross

- ❖ **Unit:** Overcoming Learning Challenges Near & Far
- ❖ **Language Arts:** The students completed their Seesaw presentations today on their countries! They really did a great job! I will be sharing them soon so be on the lookout...
- ❖ **Writing:** The students finished their country's paragraphs and will be doing one more writing piece on them. The focus in their writing has been: geographical features, focus statement, challenges, how challenge has been overcome, and the importance of the library.
