**Writing:** Peter Pan Vocabulary & Using Text Evidence to Fill out Charts

**SC:** Matter

Happy Valentine's Day!

It was great to see all of you at FROGAPALOOZA. We hope you enjoyed seeing all your child's hard work!!!

\***Hurricanes Field Trip** - We are so excited to go on our Hurricanes field trip on Thursday! Please make sure your child wears their **third grade shirt** and packs a **big snack** so they can eat before we leave. Lunch will be at 1:15 when we return to campus.

\***Spring Conferences** - Mrs. Ross and I will be holding spring conferences on **March 18<sup>th</sup> and 19<sup>th</sup>**. We will be sending home an interest sheet soon. Spring Conferences will be student led so please make sure it is a time when your child can make it as well. Looking forward to seeing you all again!

\***Field Trip** - We will be going on our last field trip on March 31<sup>st</sup> to the Mordecai House in Raleigh. We need 4 chaperones to attend this field trip with our class. If you are available, please let your homeroom teacher know asap! Thank you in advance.

\***Homework** - **MATH:** Please make sure your child labels their answers correctly on their homework when identifying area or perimeter. There is a big difference between 12 yards and 12 square yards. Answers not labeled correctly are considered incorrect. **LA:** Please make sure your child uses RACE and/or RUNNERS on their homework, when appropriate. They should be going back to the text & underline where they found their answers.

\***Steve** - Steve, Mrs. Ross' pet, will be visiting our classes on Friday, February 21 to celebrate another completion of a SWIM 100. He will be in his cage during the day...with maybe a classroom outing or 2!!!

## Star Students of the Week

Congratulations to the following students for being chosen our Star Students of the Week!

**Drager**  
Cooper Clark

**Ross**  
Kaan Gokcehan

## Mrs. Drager

- ❖ **Area/Perimeter:** Our final test will be on Friday. A study guide will be sent home on Monday.
- ❖ **Science:** We are excited to make Lava Cakes next Friday. What a great way to learn about heat transfer!
- ❖ **Supplies:** Please send in any science supplies you signed up to donate. We will be using them all over the next week!

## Mrs. Ross

- ❖ **Unit: Literary Classics - Peter Pan**
- ❖ **Language Arts** We have finished reading through chapter 6 in Peter Pan. We continue to look for each character's character traits, discover figurative language, and discuss how the character's point of view differs/same as our own. Off to Neverland...!!!
- ❖ **Writing:** With each chapter, we are taking notes on analyzing characters, their point of view & motivation, and then comparing their point of view to what ours would be (deep thinking).
