\***Interims** Interims were sent home today. Please remember they indicate progress on standards taught and are not the final grades on the report cards.

\***Website:** Parents, don't forget that weekly newsletters and weekly homework assignments are listed on our Drager/Ross website found on the school's website!

\***Spring Conferences:** We are looking forward to meeting with you and your child on the 18<sup>th</sup> or 19<sup>th</sup>. We are eagerly preparing for our conferences and can't wait for the students to show off their awesomeness!!!!

\***Illness:** We are taking as many precautions as we can to prevent the spread of illness in our classrooms. If a child has a fever, they must be fever free for 24 hours (without medicine) before they return to school. If you would like to pick up your child's work for the day, we can have it in the office by 1 pm, but no earlier as we will be teaching.

\***Fractions:** Since fractions are such a big unit in third grade, please make sure to look over your child's math homework each night to check for accuracy. The standards focus on partitioning number lines in equal size parts and this can be hard!!!!

\***Stone Soup:** Our Stone Soup play dates have been decided. Please save the date to see these kiddos shine!

❖ **Unit: Literary Classics - Peter Pan**

❖ **Language Arts** We have finished reading through chapter 15 in Peter Pan. Each day, we compare our readings of Peter Pan to Peter Pan in Kensington Gardens. The children are anticipating the end of the book (17 chapters)...but I'll be sad when the book reading ends!!! Hoping they'll read other classic books...

❖ **Writing:** With each chapter, we are writing similarities & differences between the two books. We are also focusing on unfamiliar vocabulary in text and the meaning of the words (context clues & dictionary definitions)!!!
